## 50,000 JOBLESS AS CLOTHING MEN START A LOCKOUT

The Employers Protective Association of the Cloak and Suit Industry

issued an order at noon to-day locking out all orthodox Jewish union employees. This order was issued to-day because to-morrow is the Jewish Sabbath and the employees affected would be idle.  
To-day's lockout makes about 15,000 workers idle. Another order will be issued to-morrow locking out about 25,000 more.  
Angered over the failure of the Manufacturers' Association to induce the same spirit of conciliation shown by the unions, Mayor Mitchell announced this morning that the city government would make no further proffer of mediation.  
"I assume," said the Mayor, "that the manufacturers are now fully prepared to take whatever consequences may flow from their own position. They refused to meet the Committee on Conciliation, although the unions were represented by counsel.  
"If there is any trouble the city will handle it with a strong hand. The people of this city will not tolerate any disturbances at this time which might have been avoided. It must be distinctly understood that there must be no breaches of the peace or unlawful gatherings."  
The Mayor particularly resented the attitude of E. W. Wile, Chairman of the Executive Committee of the manufacturers. According to the Mayor, Wile wrote him a letter recently refusing to take part in the conference called in City Hall Wednesday at which Jacob H. Schiff, Chairman of the Public Service Commission, Oscar S. Straus and Felix Adler were present.  
"I can't understand Mr. Wile's position," said the Mayor. "When I asked him to come here and see me to-day it was pursuant to his own offer contained in his letter to me on Wednesday, though in a situation of this kind I believe the city government has a right, anyway, to request Mr. Wile to come to City Hall."

HUGHES FOR PRESIDENT, HIMSELF FOR GOVERNOR IS WHITMAN'S SLATE  
Justice Growing in Favor in New York, He Says, Despite Roosevelt.  
Gov. Whitman, who was in town last night for a few hours, said: "Political conditions in the State have not changed much in the past week. I am confident that Hughes is growing steadily in strength and favor as the Republican Presidential candidate. I do not know what other persons may try to do, but there are no breaks in the ranks."  
There are in Republican ranks now three national factions, Hughes, Roosevelt and Root, and two State factions, Whitman and Barnes. It has been found impossible to count a definite Presidential line-up, but the preponderance of sentiment among convention delegates seems to incline for Hughes in case he is a candidate at Chicago.  
As between Root and Roosevelt, the former is expected to have more New York delegates, because of Old Guard backing, while the Colonel's backers claim the larger degree of popular support.  
Attempts have been made by the Roosevelt crowd to win over the allegiance of William L. Ward, boss of Westchester, who was with the Colonel four years ago. The Westchester group has been holding aloof in a position of semi-detached independence. It is understood that Mr. Ward notified Gov. Whitman yesterday that his followers were standing firm and there were no indications of any break to Roosevelt or to Barnes, either.  
Another rank move by the Colonel's cohorts was aimed at Syracuse, where Francis Stenwick is the veteran political autocrat. Reports have been printed that Mr. Stenwick had gone over to the Bull Moose herd, but the Governor said he had no information of any disaffection in that region.  
In State politics Gov. Whitman asserts that since the fluke attempt of the Barnes Old Guard to recapture the organization at a recent Republican State Committee meeting, opposition to the present regime has dwindled rapidly, and he is confident of overwhelming support for Hughes for President and Whitman for Governor.

### JAPS WATCH CONGRESS BILL.

Expect Satisfactory Immigration Measure Will be Passed.  
TOKIO, April 28.—Dispatches from America concerning Japan's protests against the Burnett Immigration Bill are given prominence by the Japanese newspapers, but no anti-American sentiment has been voiced. The dominating note in the slight press comment is a calm confidence that the American Legislators will not adopt a law unjust to Japan or offensive to Japanese dignity and honor.  
The Japanese Government resents the proposals to amend into law the Root-Tafting agreement restricting immigration of Japanese laborers, and also objects to a provision in the pending Immigration Bill which for interference would allow Japanese with such as Hirotsu. The Senate Immigration Committee yesterday agreed to modify the bill by eliminating reference to the Root-Tafting agreement.

## WOMAN'S REMARKABLE RECOVERY IS TALK OF WHOLE VILLAGE

Helpless for Years From Rheumatism, Devised Ropes  
Rigged From Ceiling to Lift Her From Bed

The little town of Moosup, Conn., situated a few miles from Providence, is all agog over what they consider almost a miracle in the recovery of one of their town's people, Mrs. Fanny A. Cheney.  
Hearing of the story, several people from Boston journeyed to the village to get the facts direct. There difficulty in finding Mrs. Cheney, as it was pointed out only on inquiry.  
Perhaps some fifty odd years of age, and when asked Mrs. Cheney smilingly informed that she was Mrs. Cheney. "So to see me about my case," she said, "I am not surprised, for I have had a long time."  
From an absolutely helpless cripple who could only turn in bed with the aid of a rope rigged overhead, I am now walking about as you see me, without the aid of a crutch or cane. From day to day I can see I am growing better. I thank God for the knowledge that brought Varne-sis to me and I have often prayed that Mr. Varney might be long spared for a continuance in the work that he is doing for sufferers.  
"There is hardly a person in this section who does not know about my condition, and I am glad you

called, for it may be the means of helping other sufferers. In fact I am always glad to hear from any rheumatic sufferers and let them know how I regained my health. My address is Post Office Box 184, Moosup, Connecticut. I have loaned my wheel chair, crutches, pulley and shoes to Varne-sis to add to the collection in Boston."  
Hundreds of rheumatic sufferers have recovered their health through Varne-sis after ordinary remedies have failed. Varne-sis does not contain salicylates, iodides, colchicum or the usual drugs so often given, but is composed of roots, herbs and barks. No rheumatic can afford to ignore Varne-sis. Varne-sis is not a cure-all, but is intended for rheumatic conditions that have failed to respond to ordinary remedies.  
Send to W. A. Varney, Lynn, Mass., for the newspaper devoted to rheumatism.  
Get Varne-sis now, today, at Lippett, Riker-Hegeman's and all reliable druggists.  
Tell your druggist to get Varne-sis for you from his wholesaler or send to W. A. Varney, Lynn, Mass.—Advt.
